Organizational Update

Rochelle Bass, Executive Director, CitySquare Paris

In 2017, CitySquare Paris was founded out of concern for our neighbors in need who did not have the resources they needed to live and thrive. We have been overwhelmed by the support we continue to receive from our community. Thank you for helping us serve our fellow neighbors. This year, we are excited to announce we have formed our own 501(c)3 after many years of backbone support from CitySquare Dallas. Please check our new website at www.citysquareparis.org and like our latest social media pages!
